At Liverpool Girls’ High School we endorse the wearing of school uniform as it gives students the sense of belonging and fosters pride in the school. Wearing school uniform assists in ensuring the safety of students at school and outside the school. The wearing of school uniform is supported by the Department of Education and Communities. Liverpool Girls’ High School expects students to wear school uniform during school hours, while travelling to and from school, and when engaged in school activities out of school hours.

It is expected that students will wear PE/Sports uniform for PE and Sport classes, activities and competitions. The PE/Sports uniform is **not to be worn when travelling to and from school** – it should be carried in the student’s bag and changed into for PE/Sport classes.

There are some loan uniforms available for students to change into when they are not wearing the correct uniform.

**WORK HEALTH AND SAFETY REQUIREMENTS** – Footwear, jewellery …

Footwear is an important safety item. Good soles provide a sound grip on the floor preventing accidents such as slips, trips and falls from occurring. Footwear can also protect feet from damage caused by accidents such as falling objects or chemical spillages.
Sandals, open footwear or high heeled shoes are not permitted. If students present for a class or activity with inappropriate footwear the student may be excluded and offered alternative educational activities until they are wearing appropriate footwear. The cooperation of parents is requested in ensuring that their children wear correct footwear.

Footwear which is suitable for the general school environment means enclosed leather shoes, which are flat shoes or shoes with a minimal heel that have a good grip, fit well and are suitable for walking on a number of different surfaces during the working day (e.g. stairs, playgrounds, grass and sports fields). *DEC Footwear Guidelines; WHS Directorate, Oct 2012*

When purchasing your child’s footwear, please use the following images as a general guide. All shoes MUST be full leather, plain black standard school shoes and should NOT extend over the ankle or have a platform. The leather must cover the whole foot for safety.
